

## December 2010

Goodness! It's already the last month of the year! It seems like this year passed by so quickly. All well, it means that Santa is coming sooner than I anticipated.

To begin with, it was mentioned not a while ago that **Jody Wilson**, our school nurse, volunteered to be a part of the community by contributing to one of our OSHC programs. Mrs. Wilson came on Tuesday the 16<sup>th</sup> of November and taught the children many valuable skills and instructions about health and safety. She advised children to call 000 and ask for the ambulance in case of emergencies such as an unconscious person. She also taught the kids how to put people in recovery positions to ensure that their breathing can improve. After mastering the skills that they were trained, the kids were given the chance to ask questions. Overall the children had an enjoyable and entertaining time filled with lots of excitement.

**The OSHC would like to give a huge thanks to Judy Wilson for her cooperation. We appreciate all the time that you have given towards this community program.**

Speaking of community programs, we hope that in 2011, parents will be keen and enthusiastic about being a part of the community activity for OSHC.

## **IMPORTANT NOTE FOR PARENTS:**

To make things easy for our current customers, Camp Australia Head Office will automatically book all Permanent users from Term 4 in to the same days/sessions for 2011. These bookings will commence automatically from the first week of Term 1 next year. Parents do not need to complete a new Enrolment form or confirm their bookings if they need the same days/sessions next year.

Permanent users that wish to make changes or cancel their booking for 2011 can use the Parent Portal or call/email the Customer Service Team

**I would also like to request that parents inform Camp Australia about their child's situation for next year ASAP!**

The children of AGS OSHC put in a massive amount of effort to make and decorate the cardboard Santa Claus and Xmas tree. It is situated at the entrance of the OSHC service and we would look to thank the parents who stood and appreciated the marvelous work of art; it encouraged the children even more! I would like to congratulate each and every child for participating in this group activity.

## And now for the weekly program:

**Monday 29<sup>th</sup> November:** Since I took so many photos of the children with the Santa and tree, we will be using these wonderful photos to make cards for Christmas.

Everyone will be having a joyful time celebrating the season greeting by making Xmas cards for each other

**Monday 6<sup>th</sup> December:** This week is all about partying and celebrating everything about Christmas, there will be movies to watch, games to play, prizes to give out by testing your luck from the raffle box and basically rejoice the end of 2010.

I hope that everything the staff and myself have done for the OSHC has met to your standards, I hope that both the children and parents have been satisfied with everything about the program and service, if there are any queries or feedback or ideas for 2011, there is a feedback form available in the OSHC so please don't hesitate to take one.

**I wish everyone a Merry Christmas and a wonderful New Year full of surprises and happy times.**

## HOPE TO SEE YOU ALL IN 2011
