

Term 2

May 2011

HI EVERYONE!

I'm back! After four, long, agonizing months of getting over the abrupt passing of my sister, I am back and ready to begin term two with more new and improved programs. Words cannot describe how enthusiastic I am about seeing everyone again and meeting the new faces of the kids that have enrolled this year. I can't wait to start the agenda with Mother's Day activities!

Monday 2nd of March: There are a lot of 'Welcome Back for Term 2' coloring sheets that are in need to be filled in! We also need to get started with our special Mother's day art activities in order for them to be ready for Sunday the 8th of March.

Monday 9th March: SUGAR ART PAINTINGS! It's going to be so sweet!

COOKING ACTITIVY: Coconut Mice! Girls, no need to stand up on tables and scream for dear life – I assure you the only ingredients are icing sugar, milk and coconut powder!

Monday 16th March: Lots and lots of beads, lots and lots of colors. I want to see what each child's imagination can come up with when they produce their artwork by sticking on the beads on cardboard paper.

Monday 23rd March: It is the last week of Autumn for 2011, so let's make it worthwhile by including a nature activity. The children will be busy making their own tree or any other natural artwork with the use of autumn leaves.

And that's it for this month! Look out for our June newsletter which will be distributed next month, jam packed with heaps more activities!
