

# OSHC TIMES

**CAMP AUSTRALIA**  
we make kids smile

Hi everyone!

I hope you all had a great, relaxing, fun filled long weekend! With both Halloween and all the talk about Cup day, I'm sure that it must have been very exciting. Last week, the kids at OSHC had an amazing time as they decorated the A/C room with stuff related to Halloween. We made an awesome **Jack O' Lantern** and we hanged ghosts everywhere around the area! See some of the pictures below!

# Awards!!!

I would like to give a big shout out to all the children, parents and staff at AGS OSHC and congratulate each and every single one of you as I proudly announce that we came in 3<sup>rd</sup> place in the Happy Little Bakers Challenge! Every child did an amazing job as we all worked together as a team to create our very own Alphington Biscuits!

Our picture was also chosen featured on the cover of every Camp Australia Cook Book that has been sent to many OSHC services in Victoria! Camp Australia has also awarded our service with a gift voucher from Myer which the children and I are discussing as a group on what to buy for our service!

Well done everyone!!!

This week's legend of the week goes to Stefan Sakellaropoulos for being such a friendly boy and participating in all activities with your lovely behavior! Congratulations, keep up the great work!!

With the week almost coming to an end, we'll finish it off by getting the kids to participate in the fun activity of **Scratch Art Frames**. As always, if the weather is cooperating with us, we'll take the kids outside where they can choose a variety of sports to play. So please remind your kids to come with their hats as we will provide them with sunscreen! Beginning from Monday 7<sup>th</sup> of November, we'll be getting to learn and understand more about the beautiful culture of Native Americans, we'll also be running art/craft activities such as making our own **Native American Dream Catchers!**

With **Christmas** just around the corner, we all invite parents of Alphington Grammar School OSHC to come and witness the spectacular X-mas activities and programs we have in store for the kids! We will be making an even BETTER cardboard Santa and Christmas Tree than last year's (See picture below) as well making lots of Christmas decorations such as bells, angels, stars, reindeers and mistletoes. Finally, we'll have heaps of coloring sheets and be making our own Christmas Cards to celebrate the festive season.
